MILLER RANCH
SAUVIGNON BLANC
YOUNTVILLE - NAPA VALLEY

In 1981, Ron and Diane Miller established Silverado Vineyards to begin making wines from the historic sites that comprised their estate. Their ranches were first planted to vineyards by Napa pioneers between 1865 and 1895. Each played an important role in establishing the reputation of their appellations: Carneros, Coombsville, Yountville, Soda Creek Canyon and Stags Leap District. The beautiful fruit from these six vineyards is the exclusive source of Silverado Vineyards' Estate and Single Vineyards wines -- the Miller family's best expression of the Napa Valley they love and admire.

VINTAGE NOTES

The near-perfect 2016 growing season started early, saw ideal weather conditions throughout and wrapped up as the valley's first significant fall rainstorm arrived on October 14. Thanks to a relatively steady and mild July and August and then a series of warm days at the end of the growing season, vineyards were able to progress to perfect ripeness.
