HERITAGE

SILVERADO VINEYARD (100%) – In 1968, Silverado Vineyard became the fourth planted to Cabernet Sauvignon in the Stags Leap District. Over the next two decades, meticulous field selection created an entirely new clone of Cabernet Sauvignon. The University of California, Davis designated this unique vine with the Disney-Silverado Heritage clone. It is one of only three Cabernet Sauvignons to attain Heritage status – and the only one from Stags Leap District. Each year, we honor this extraordinary clone with SOLO.

SOILS + CLIMATE

Silverado Vineyards' steep, shale soils and western exposures to the late afternoon sun come together to produce fruit with the character and structure for which the Stags Leap District came to be known.

TASTING NOTES

Aromas of dark fruit with hints of cinnamon and nutmeg on the nose. Intense fruit, toasty oak, and spice lead to a velvety, long finish with mild tannins.
